Maa The Source Of Power

From the ancient days in Hinduism, we respect women by our culture, thinking & behaviour. We worship the goddess in different names and contours which represents different roles of women in our society. "Navaratri" this is the festival of goddess Durga and her nine "Avatars" for nine days.

प्रथमं शैलपुत्री च,द्वितीयं ब्रह्मचारिणी ।
 तृतीयं चन्द्रघण्टेति,कूष्माण्डेति चतुर्थकम् ॥
 पंचमं स्कन्दमातेति,षष्ठं कात्यायनीति च ।
 सप्तमं कालरात्रीति,महागौरीति चाष्टमम् ॥
 नवमं सिद्धिदात्री,च नवदुर्गा: प्रकीर्तिताः।
 उक्तान्येतानि नामानि,ब्रह्मणैव महात्मना ॥

Each manifestation of Durga is known by her respective names.

Shailaputri

Shailaputri literally means the daughter (putri) of the mountain (shaila). After performing self-immolation in her form as Sati, the Mother Goddess took birth in the house of the King of Mountains, as the daughter of Lord Himalaya. Also known as Sati, Bhavani, Parvati or Hemavati, she is the absolute form of Mother Nature and the embodiment of the power of Brahma, Vishnu and Mahadeva.

Brahmacharini

"Brahma" means "the one self-existent Spirit, the Absolute Reality, Universal Self, Personal God, the sacred knowledge". "Charini" means "occupation with, engaging, proceeding, behaviour, conduct, to follow, moving within, going after". She is the goddess of asceticism and penance, as her name is the female equivalent of one who practices Brahmacharya.

Chandraghanta

Chandraghanta is made up of the words chandra meaning moon and ghanta meaning bell

Chandraghanta is a powerful form of the Mother Goddess. She adorns her forehead with a half moon shaped like a bell, which explains the origin of her name. She is the goddess who inspires courage in a person and is always ready for war against demons. When provoked, she can be malevolent to those who invite her wrath, but she remains the embodiment of serenity to her followers.

Kushmanda

Ku means "a little", Ushma means "warmth" or "energy" and Anda taken from the last three words of the Sanskrit word "Brahmand" that means | The Universe

After taking the form of Siddhidatri, the Mother Goddess began to live inside the Sun, resulting in liberation of the Sun's energy to the universe. Since then, this form of the Goddess has been known as Kushmanda, namely for her power and capability to live inside the Sun. The glow and radiance of her body is as luminous as that of the Sun.

She created the universe in the flash of Her smile and is believed to bestow siddhis (supernatural powers) and nidhis(wealth) to her devotees. She is the avatar of Goddess Parvati.

Skandamata

Mother of the war god Skanda(Kartikeya).

Goddess Skandamata mounts the ferocious lion. She is also recognized as "The Goddess of Fire" She carries baby Skanda in her lap. Lord Skanda(also known as Kartikeya or Lord Murugan) is the brother of Ganesha. Devotees who worship this form of the Mother Goddess get the added benefit of blessings of Lord Skanda, the God of War (also known as Kartikeya).

Katyayani

To destroy the demon Mahishasura, Parvati incarnated as the daughter of sage Katyayana , and help the devas. She is known for her anger, vengeance and ultimate victory over the demons. She will bestow boons upon those who worship and revere her with a pure heart if she is pleased.

Kalaratri

This is the fiercest and the most ferocious form of the Mother Goddess, in which Parvati manifests to destroy the demons Sumbha and Nisumbha. Kalaratri, meaning the night of death (death night). All time, light, emotions, life forms and others all blend into her. She is the death of time and is greater than Kala (time) himself.

Mahagauri

Mahagauri is known as the goddess of purity and cleanliness. The man who pleases her, by her grace, all of his flaws, faults and mistakes will be burnt to ashes and he will be redeemed.

Due to her extremely fair complexion, she was known as Mahagauri.

She is known as the forgiving goddess and forgives sinners and purifies them.

Siddhidhatri

Siddhidhatri is the one who removes ignorance and she provides the knowledge to realize true reality. The Siddhi that she provides is the realization that only she exists. She is the mistress of all achievements.

In the beginning of the universe, Lord Rudra worshiped the unmanifest form of the Mother Goddess, Adi Parashakti for creation. As Adi Parashakti, the Mother Goddess had no form, she thus appeared as Siddhidatri and from the left half of Lord Shiva. She bestows all types of siddhi (supernatural powers) to her devotees and hence is worshipped by humans, ghandarvas, asuras and devas alike.

In Hinduism, Durga is principal form of the Goddess, also known as Devi and Shakti. According to Purans, Durga was created for the slaying of the buffalo demon Mahisasura by Brahma, Vishnu, Shiva, and the lesser gods, who were otherwise powerless to overcome him. Embodying their collective energy (shakti), she is both derivative from the male divinities and the true source of their inner power. She is also greater than any of them. Born fully grown and beautiful, Durga presents a fierce menacing form to her enemies. She is usually depicted riding a lion and with 8 or 10 arms, each holding the special weapon of one of the gods, who gave them to her for her battle against the buffalo demon. In this way Maa Durga is representing women empowerment, power, energy & intelligence.

A Success Story

Team Silver City Cuttck-The Jewel Of Millenium City

Silver city cuttack public charitable trust is a cuttack based registered social organization established in the year 2017 with a vision to initiate and take all the necessary efforts towards the betterment of Cuttack city and citizens . started with 8 Members now we are team if 80+ active members.

some of their major projects are:-

* Restoration of cultural heritage :- Their team visited some of the prime ancient temples those comes under the jurisdiction of Archaeological Survey of India Department across the city of cuttack. These temples are on the verge of losing their glory due to lack of regular maintenance. They organized cleanliness event at those places. In this regards they also met with Assistant Superintendent of ASI with their request proposal to restore all these places and received positive assurance from them.

*Renovation of traffic roundabouts :- Team Silver city cuttack took initiative to renovate all the traffic roundabouts across the city which were abandoned. Their team successfully accomplished in renovating the traffic roundabouts at prime locations like Chandi mandir square, Chahata square, shelter square and bijupattnaik square etc.

*Cuttack Banchao Abhijana:- Most lately Government decision of shifting all the head offices from cuttack to bhubaneswar came out as a shock and surprise for every citizen of Cuttack. They raise their voice and initiated a mission by name "Cuttack Banchao Abhijana" where many people from different walks of life and many social organizations, activists joined them in their mission.

***Social Responsibilities :-** Their team successfully have been organizing free health camp at orphanages and slum areas across the cities.

They distribute blankets and winter clothes to the needy during winter under their most successful initiative as "Piece of Hope" campaign.

They have organized multiple Swachh Abhijaan across the city of Cuttack and awareness program regarding polythene ban as well.

During Lockdown Mission Hunger Free Cuttack Campaign started by Team Silver City Cuttack which was started on 28th March 2020.

Since then They have served dry foods to almost 10500+ people . Weekly Groceries provided to almost 750+ needy families.

They have fed Hundreds of stray animals for 100 days after lockdown.

They have adopted 20 needy families ,they are providing them Monthly Groceries since 4 months.

They are doing fundraising campaigns, Money being used for poor patients who needs emergency

treatments. They are already taking care of many needy patients and helping them for their treatments in regular basis.

Round about renovation at different areas of Cuttack. They have renovated 5 roundabouts across the city and taking care of those on regular basis.

They visit the historical places around cuttack which all have huge tourism scope but they need proper renovation under "Save our Heritages" campaign. Memorandums and application will be given to concerned departments in regular basis.

Monsoon Mass plantation programs and Seed balls throwing campaigns in association with other groups of Cuttack are already going on.

Since we have to live with Corona Virus for quite sometime, Awareness events on Hygiene/Sanitization in the slums will be done in regular intervals followed by hygiene kit distribution.

Their annual event "Piece of Hope" campaign will be conducted in the winters where they

will be distributing old clothes and winter wears to the needy people. In these 3 years of time their team have tried their utmost ability, dedication and efforts to fulfil their vision. This is just the beginning they feel, still a long way to go.

DAUGHTERS

Pride of every house are daughters,
"Goddess of Home" is the title given to her.
Sacrificing her own happiness is what she does,
Just to see the happiness up on her parents face is what she owes.
Nothing really matters to her on Earth,
Until and unless it's about the ones who gave her birth.
The word "She" is what makes her powerful, you think,
But, her actual strength comes from her upbringing.
Even if she is emotionally weak sometimes,
Though she is glowing out of it every time.
Her brother is her weakness,
And, parents her only strength.
She fights all her problems alone,
Crying in the corner of her room.
She is independent and wild like a fire,
Born with a spirit that you admire.
She is the son to her father,
And, her only motive is to work harder.
Life is an roller coaster she knows,
But, facing it with a smile she goes.
She's been rejected, thrown and hurt,
Everytime she trusts.
Her mother is her best friend she say,
Sharing all her problems with her is her only one way.
Being a shield isn't easier,
That's why God has made "DAUGHTERS".

Who is that ?

Whole power of the universe
Once contempt by male
Medicine for others grief
Enlightenment for another's ambiguity
Nest of their family members
Engine in our cookhouse
Moon of the welkin
Palace of a peace
Originate from earth mother
Warrior of world's obstacle
Everlasting fragrance of home
Ready to sacrifice anything
Mask their desires for others
Every field their foot-mark is printed
Now the form of five elements of nature
Their talents established in all area
Who is that ?, Who is they ?
They may be your mother, sister and wife

VOICE BEHIND THE VEILS

You are a girl
-muffed the elders
which still shrill
in my ears.

Every time I voiced out
my dreams and passion,
I was cast down
and put to rout.

With my arms wide open;
I want to fly as wren
and sing out loud
to the city crowd.

we are all in same haze;
why not we raise
ourselves holding shoulder
of each other.

बदलते दौर के साथ बहुत कुछ बदला है,
पर जो नहीं बदला उसका क्या??
सफल औरतों का ज़िक्र तो किया सबने,
पर आम नारी का क्या??
खेल, पढ़ाई, नौकरी में तो मेडल मिले सबको,
पर पूरी ज़िन्दगी गृह गृहस्थी संभालने वाली औरत का क्या??
मंचों पर जा बड़े बड़े भाषण तो दिए चंद औरतों ने,
पर जो बरसों से अपनी आवाज़ दबाए बैठी है किसी
कोने में उसका क्या??
स्वतंत्र औरतों ने तो उन पर उठे हर हाथ को रोक दिया,
पर जो हर दिन मार पिटाई का शिकार बनती है उसका क्या??
कुछ लड़कियों ने मॉडर्न कपड़े पहने तो सबकी जुबान खुलने लगी,
पर जब सलवार सूट पहने भी बनी वो किसी की हवस का शिकार उसका क्या??
इस भारत देश को तो मिल गई थी आजादी ,
पर जो वो हर पल अपने ही घर में समाज और इज्जत की बेड़ियों में बंदी है उसका क्या??
कुछ लड़कियों ने तो खुद की मर्ज़ी से शादी कर ली,
पर जो आज भी शादी जैसे पवित्र बंधन में अपनी मर्ज़ी के खिलाफ बंधती है उसका क्या??
कुछ लड़कियां तो बन गई पापा की परी
पर जो हमेशा से अपने पापा के गुस्से का शिकार बनती हो उसका क्या??
महिला सशक्तिकरण के नाम पर इंसाफ मिला कुछ को
पर जिसे इंसाफ से बहुत दूर रख बार बार अपना शिकार बनाया गया उसका क्या??

हे नारी

हे नारी सुनो ध्यान से , पुकार अपने अंतर्मन की ।
 महका दो माँ वसुंधरा को, सुंदर वन के उपवन सी ॥
 तुम ही ज्ञान की स्वरस्वती, तुम रामायण की सीता हो ।
 तुम लक्ष्मी तुम्हीं हो दुर्गा, तुम्हीं पवित्र ग्रंथ की गीता हो ॥
 तुम राधा सी प्रेम हो निश्छल, और कौतूहल हो वृन्दावन की ।
 हे नारी सुनो ध्यान से , पुकार अपने अंतर्मन की ॥
 त्याग, प्रेम, दया ममता की, रूप जरा प्रत्यक्ष धरो ।
 वक्त पड़े तो लक्ष्मीबाई सी, खुद को रण हेतु सज्ज करो ॥
 पति का सम्मान हो, घर की मर्यादा हो तुम ।
 जो आंधियों को चीर दे, वो दृढ़ इरादा हो तुम ॥
 तुम धरा पे आधार हो, मनुष्य के जीवन की ।
 हे नारी सुनो ध्यान से , पुकार अपने अंतर्मन की ।
 महका दो माँ वसुंधरा को, सुंदर वन के उपवन सी ॥

दोस्ती वो जो हर रिश्तों से आला होता है
दोस्तों का मिलकर रहना निराला होता है

हर जगह जो साथ दे वो दोस्त होता है
मिलकर ज़िन्दगी के गमों को मात देता है

दोस्ती में उलझनों को छुपाना नहीं होता है
दोस्ती में विश्वास को तोड़ना नहीं होता है

छोटी-छोटी बातों में खफा नहीं होता है
दोस्ती में कोई कभी दगा नहीं देता है

दोस्ती के लिए जो रिश्ते हैं दिल से निभाते हैं
दोस्ती के लिए हरदम जान भी कुर्बान करते हैं

दिल के हर गमों को चुरा लिया करते हैं
आपस में हर दुःख दर्द बाँट लिया करते हैं

खून के रिश्ते से भी बढ़कर होते हैं ये रिश्ते
पर इन्हें बहुत संभाल के भी रखने होते हैं

एक दोस्त दूसरे दोस्त का आईना होता है
रहमान बाँदवी आईना से कोई बात छिपी नहीं होती

Let's your unsaid feelings flow out
through the letters.

अनकही ज़बातों को खुल के बताओ

An open letter to everyone

We are so busy finding abnormalities in everything and everyone , lets find normality and make this world full of love , laughter and live . Let's respect everyone irrespective of their perspective . Lets not get shocked when girl chooses army or sports as their profession or if a boy chooses cooking as his profession in that case . Let's consider divorce as normal as getting married even no marriage even before marriage . Let's accept someone's decision of early marriage , late marriage or even being single parent or adopting child . Let's just abolish the idea of shaming someone if one is involved in more than one relationships . Let's treat same sex relationship as normal as the others . Let's stop declaring the one who tries to graduate after his 40s chested , short , tall , dark skinned etc . Let's just encourage girls to be more bold and opinionated they are men that does'nt means they are safe . Let's believe in the fact that boys can also be molested just because they are men that doesn't means they are safe . Let's have faith in the concept of soulmate and that it can be found in every age may be it early 20s or late 40s . Let's just love ourselves more , invest in our dream , goals and everything we are willing to be . Let's just make ourselves priority , use positive words , smile more , worry less , practice gratitude , start making changes within ourselves then only we can change the vibes around us . Let's just stop exaggerating and start normalizing.

An Open Letter To My Friends

Dear friends ,

There are no words to express my feelings towards you , my friends . I am blessed to have you all as my friends . The best well wishers when I achieve good, the best advisor when I go wrong . All in all , who encourages me to do my best always .

School life is fully filled with you guys . Wherever I turn , I see your faces in my memories . The most naughtiest , criminal things like stealing the sweet from staff room , bunking classes and roaming in the corridors , saying that not feeling well and sleeping after the lunch hour , fighting for snacks and sharing a bit to all in interval hour . Finally completed the farewell with happy faces with full of tears filled our eyes .

Though I don't like the college I love the friends that's you all guys . My tissues who wipe my tears when I cry . My smile when I am happy . I never forget the first outing of us February 7, 2020 to Marina beach and trade fair . That was a good fine day filled with memorable moments .

Pillars are supporting system for the building . You are one of the pillars of mine . Even one falls the whole building get collapsed . Thank you my dear friends for being with me in my hard and happy times .

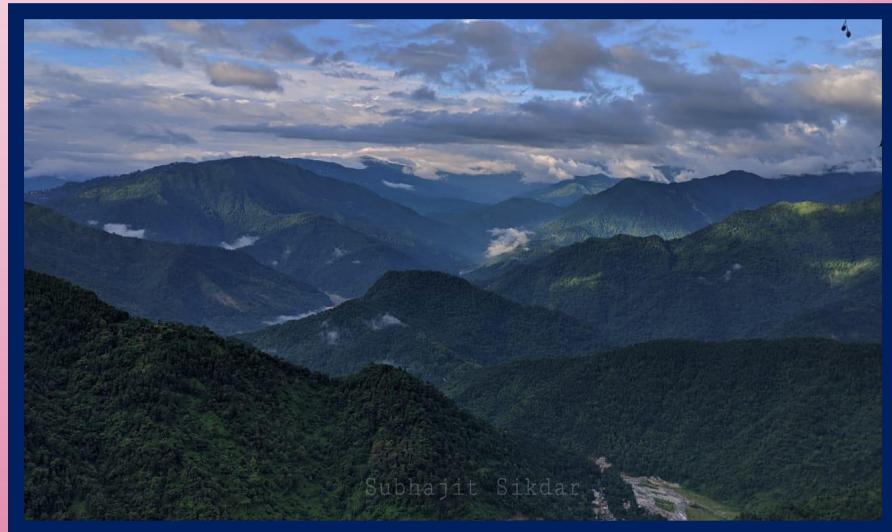

Lastly ,

Thank for tolerating my tortures . Waiting to create more memories . Sorry for the things I did wrong and thanks for correcting my mistakes and guiding me . Love you all .

XOXO ,

A Travel Story

By Namrota Paul

Darjeeling, Queen Of Hill Stations

Hills in India are Alluring, away from the city crowds one gets to feel the deep insight of nature. Amongst all the Hills, Darjeeling is

The Queen of all Hills. Not only its Greenery but also its Tea Gardens which contributes to the Romantic Aroma of Refreshment. Every visitor

will fall in love with its beauty-mist.

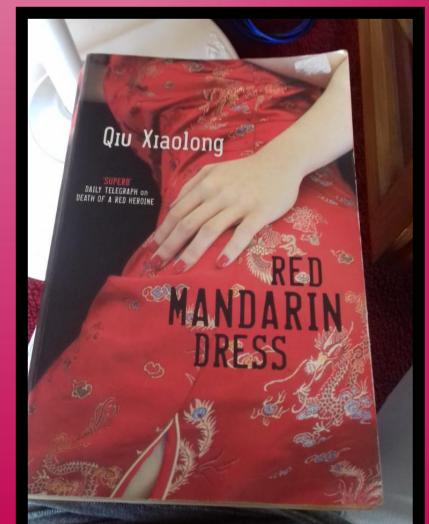

(tea gardens)

This October i finally got to visit Darjeeling along with my cousins although for the 2nd time but then i was too small to enjoy and remember or understand the Swirling Beauty of that place. I stayed in Udaan Deckling Resort.

The view from our room is just amazing. It had my favorite thing, a room filled with various Novels & Story Books, Yes the Library! The collections were pretty good.

I grabbed a book, not knowing whether I will get the time to complete that novel. The book

named, RED MANDARIAN DRESS by QIU XIAOLONG.

After coming into the room, that book served well in giving my sister and me of course a few great so-called "insta-pictures". We had our lunch and took a good nap.

That first night we visited Glenary's, enjoyed the yummiest cuisines. The cold wind contributed a lot to that eve, followed by the musical performance by one of the band; our

chilled hands and legs although got no heed until the hot food was served.

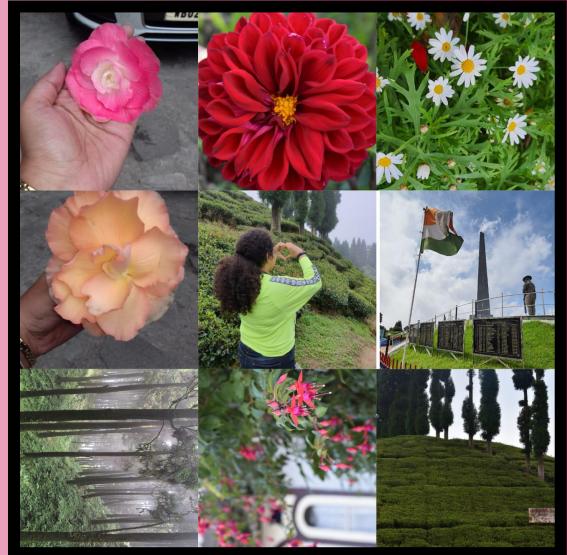

The next morning we, fortunately, got to see Kanchenjunga from our resort rooftop. The beauty is beyond description. The Peak Shined like a Diamond due to bright sunlight. Calmness all around, Freshness to its peak, and not to forget the beauty of flowers all around. The hot Milk Tea on the Terrace of our Resort gave immense joy and felt like a movie scenario

only a hero was missing!!

We drove off to various places like the Keventers, Pine Forest, Batasia Loop, Tea Garden Hills, we also visited a Local House, where we got a taste few varieties of Tea. The Pine Forest was no doubt amazing and personally my favorite since that day. The place was so calm, that fresh smell all around. We all got some good pictures for ourselves there.

The Keventers was the place where we had our breakfast.

The food was so juicy and fresh. The way of presenting it to the guests was fully a British Style.

The Batasia Loop was basically a Tribute to various Soldiers who contributed their precious life for our Country. Their Names were Engraved along with the Mission Name which they were a part of.

Further, we went to the tea garden areas where we saw various types of leaves, gained good knowledge about Tea leaves and its Procedures.

That evening we visited the Glenary's for grabbing some delicious cakes and hot chocolates. It was mouth melting yummy. Coming to the resort back we were so tired but the enjoyment was on fleek, loud music, mad dance, and something way beyond expectation- We enjoyed the romantic dance of a new couple. That was the last night. Enjoyed it to the fullest.

(Hot Chocolates)

The next morning we headed to Mall Road, The famous place of Darjeeling, where there were benches all around and the center area was a grandure for all children to play. The best thing which i noticed there was the local people's dedication

towards their native place. Basically, they were not allowed to drive their vehicles in that area just because the children play there. it is just that you drive from one road and stop your vehicle and just walk and take it to the other end and start off their vehicles again.

(mall road)

Then we had our lunch at The Sangrila Restraunt
You visit hills and don't grab Momos, then it is a huge Loss!! So we had momos, thuppas & noodles.

Darjeeling is a special place because of a serendipitous meeting of location and history.

Situated way up in the Himalayan foothills, it is presided over by the mighty massif Kanchenjunga.

The British discovered that the elevation and conditions were precisely suited to the cultivation of tea, so they began importing tea plants from China and slowly but surely established a thriving tea industry.

The town of Darjeeling was home base to the British tea planters and eventually became the summer residence of the Britishers, whose capital in India was steamy Calcutta until 1911. When the summer heat grew intense, the Britishers in Calcutta made the arduous journey into the hills to find relief in Darjeeling's temperate climate.

Even to date, Darjeeling retains the flavor of the colonial past and gives the town a historically rich texture.

The "toy train," which runs on the world's smallest gauge — it's ancient steam engines pull two tiny blue bogeys — still runs between Darjeeling and Siliguri. Several times a day you can hear its comforting whistle as the train pulls either into or out of the station.

Train enthusiasts come from all over the world, but perhaps especially from Britain, to experience this train, which has been in operation since the mid-1800s. It is the same train which carried the Britishers.

We visited the Ghoom Station, which is also a famous one as various famous movies have been shot here.

A Special Poem By Our Editor

The battle Inside Us

Hey wait....

Don't...

You can't do this.

No, I wanna try this...

It's do or die for me!!

I can't live any more!

I can't love anyone now!!

Hey hey hey,

Stop. Look here,

I said don't.

But I wanna do....

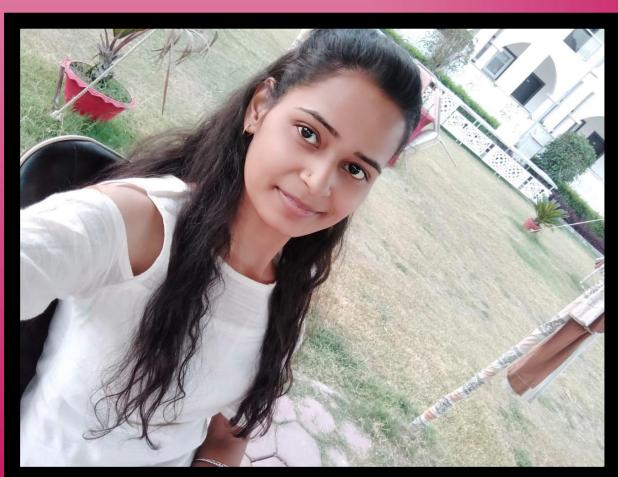

No, no, no, don't

Yes, yes, yes, will do.

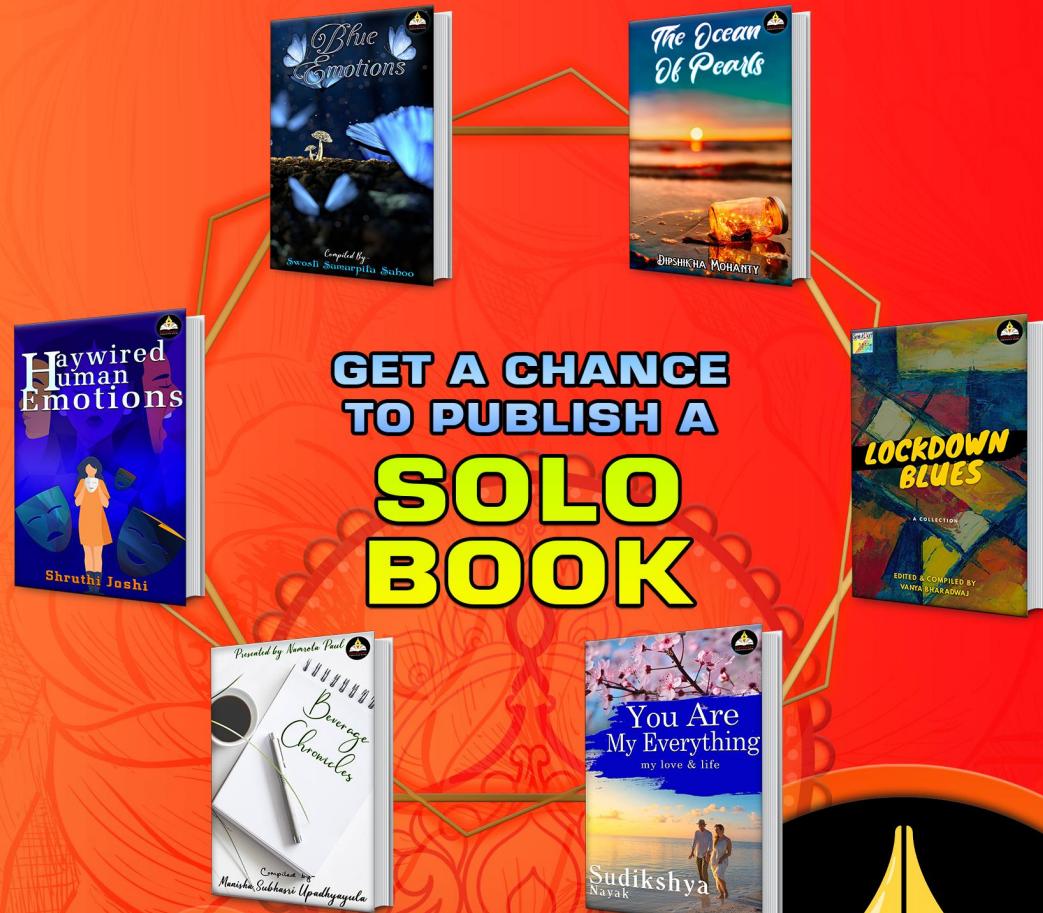

That's how a soul fights with it's own body!!
